

2011 Maintenance Closures Notification

Firstly, we would like to take this opportunity to thank you for your continued support of Skyrail Rainforest Cableway.

At Skyrail, we pride ourselves on our high standards of safety and reliability. To maintain these high standards, it is necessary to undertake programmed preventative maintenance works, which sometimes requires the closure of the cableway for short periods of time.

Skyrail Rainforest Cableway has confirmed programmed preventative maintenance works to occur mid 2011. The dates that Skyrail will be closed are listed below for your reference.

Skyrail Rainforest Cableway will be closed on the following dates in 2011:

May: Monday 23rd May 2011, Monday 30th May 2011
August: Monday 29th August 2011

May 2011						
S	M	T	W	T	F	S
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

August 2011						
S	M	T	W	T	F	S
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

The above dates have been selected in careful consideration of visitor trends across the year and have been chosen to minimise disruption to our clients, whilst coinciding with the availability of the specialist equipment and international expertise required to complete the works.

The purpose of this notification is to provide you with the maximum possible notice of Skyrail's planned, preventative maintenance closures, to assist with your advance planning.

Please note that Skyrail's Reservations Department will continue to operate as normal during all of these times.
